

## **Bush League & Harmony Mercenaries 2018**

Have you ever wondered what you'd get if you mixed a legacy event (like Bush League), with a contemporary, platoon event (like Quartet Factory), with a Harmony Mercenaries gig? Yep - you'd get ... Not Your Father's Bush League (NYFBL).

Mark the date down now (AUGUST 17-19) and plan on heading north for a mash-up of several harmonious events:

- novice and developing quartets ... register as a quartet for Bush League 2018
- no quartet - no problem ... signup individually and be placed into a quartet "platoon style" - then compete "Bush League - style" with HM songs
- 3/4 of your quartet can come but your lead has a severe case of "I gotta paint the garage" ... no problem the three of you, come ... we'll plug in a lead for you
- get the idea ... we want to see you in Bellaire for a great couple of days of quarteting on August 17 & 18

Anticipated highlights:

- Harmony Mercenaries and select quartet performances in/around downtown Bellaire Friday and Saturday
- Appearances by Upper Deck, the current Pioneer District Champion quartet
- Final days of the week-long Bellaire "Rubber Ducky Festival" ... parade, family activities, etc.
- Platoon-quartet opportunities Friday Evening & Saturday morning
- COACHING FOR ALL COMPETING QUARTETS Saturday morning
- BUSH LEAGUE CONTEST Saturday afternoon
- SHOW OF CHAMPIONS Saturday evening (Bush League medalists, Harmony Mercenaries, Upper Deck ... and more!)
- AFTERGLOW Saturday night
