

## Chapter Development and Leadership Training

Planning for the 2015 Leadership Training Conference is progressing. Date set is January 17<sup>th</sup>, 2015 at CMU in Mt. Pleasant. Housing will be at the Water Park as it was last year. Joe McDonald has been very helpful with this and I couldn't have done it without him. Availability of the facility and avoiding the weekend of the Midwinter Convention pushed us a little later this year but weather permitting; it should be a great weekend.

We are continuing to work on trainers and the agenda but there will be a significant focus on singing well and the importance of leadership.

This year's theme will be "Leadership for Legacy" so we need to encourage chapters to send their new leaders, old leaders and especially potential future leaders. We will be emphasizing the importance of Chapter Leadership and "Growing the Next Leaders".

I'm still learning this job but thanks to many of you I think I'll get it eventually. Any advice is greatly appreciated.

Thanks!

Mike Ridenour
