

Music and Performance Work plan Oct 6, 2014

Clifton Dake

Mission

To promote a positive and encouraging atmosphere while offering compelling opportunities for Pioneer district members to become better musicians and better performers through education offered through our Barbershop Harmony Society.

My Intent

Put on another Top Gun for Chorus event

Training for Standing Ovation

Set up one day training for anyone interested in working with the Standing Ovation program.

Develop a coaching assist program

Support Top Gun for Quartets (run by the QCA)

Top Gun for Quartets

This program is under the direction of the QCA.

Top Gun for Choruses

This would be a weekend event of serious coaching with high level coaches (AIC Level) catering to choruses in our district with goals to achieve district champs and or international representative. At the end of the day on Saturday we will host a small show for community viewing. Each chorus will sing two songs than if time permits followed by an afterglow party.

Standing Ovation

This will be a one day training program for anyone interested in becoming a reviewer. Training person will be Al Fisk.

Coaching assist program

I will put together a program to support the needs for coaching for any chorus or quartet at any level. This will be local or out of district coach. This will be an ongoing program of continuing education supporting growth in music and performance.
