## KEYNOTE SPEAKER

The Pioneer District welcomes Charles E. Abernethy of Ponca City, Oklahoma, International Vice-President-Treasurer of the 30,000 member Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America.

A long time Barbershopper, Charles first joined the Society in 1953 and has been active ever since as a singer, chorus director, judge and administrator. He is Past President of the Southwestern District of Chapters which includes Oklahoma, Texas, Louisiana, and New Mexico. He also represented the district on the International Board of Directors before being elected to his present position on the Society's Executive Committee.

For many years Abernethy has been very active in the Society's judging program and has served on many district and international panels. He is currently the International Specialist in the Stage Presence category. As such he has been a member of a number of Harmony Education Program schools.

### THE MEN IN THE WHITE COATS

If you want information, advice, a fourth for a quartet or any little thing that would make your stay in Windsor more pleasant, just hail the closest man in a white coat. They're all Windsor Chapter Members and under the Chairmanship of Paul Eberwein they've tried to make this Convention truly 'a ball in the fall'.

# KOINS FOR KANSAS

Windsor Chapter is providing singing posts in the form of "Koins for Kansas Kans" during the Convention. The idea is, if you're a quartet—stand around the "Koins for Kansas Kans" and sing . . . and if you're listening—drop Koins in the Kans in direct relation to how much you liked the singing. We figure by Sunday Noon the Kans will be overflowing and the Institute of Logopedics will be that much richer.

## NU-TONES

The Pioneer District has got the classiest mike-testers working this weekend that you'll ever hear at any convention.

The Nu-Tones hail from Laporte, Indiana and were the 1967 Cardinal District Champions and were International Semi-Finalists in 1969 and '70. Please give them a real Pioneer District welcome and shake hands and ring one with Tenor, Bill Carbon; Lead, Mike Draves; Bari., Wayne Turnipseed (that's right) and Bass, Dave Walker.

THANKS FELLOWS!
