

This Fall's Project will be The Haven of Rest, a 3 facility organization in Battle Creek. The Haven has requested bed linens and towels, specifically linens for twin beds. Try to provide the linens in sets, but even gently used individual pieces are welcome.

In the past the District's "No Cash, material donations only" policy caused a bit of consternation for some. For the Battle Creek project we are offering an alternative for you to show your generosity. If you are not attending the convention, do not have the time to shop or are unable to bring your donation with you, we have set up an AMAZON gift registry. Through the magic of the internet, you will be able to select and purchase items from home, your hotel room or even the convention floor! Below are the steps to follow if you wish to take advantage of this secure way to join fellow Pioneers in this community service event.
